// ABOUT PROPENTIAL

A loan secured by the home people already own.

Propential is a property-secured personal loan for owners who want to invest in their home rather than move. The customer borrows a set amount, repays it with principal & interest over a fixed term and puts it toward a project that improves their property. Propential is offered by MediPay Holdings Pty Limited (ACL 474336).

// THE PRODUCT IN DETAIL

LOAN AMOUNT

$5k – $175k

A secured, fixed-term loan.

ONE CLEAR RATE

17.95% p.a.

$150,001 to $175,000	$1,905	$49.50

// WHAT IT CAN BE USED FOR

Any project that improves the property and adds value.

- INTERIORS
- KITCHENS & BATHROOMS
- POOLS
- FENCING
- LANDSCAPING
- ROOFING
- OUTDOOR & DECKING

It is a fixed-term, secured loan, **not a revolving line of credit** and not intended for ground-up construction. The funds go toward improving a property the customer already owns.

// ELIGIBILITY: THE ESSENTIALS

- **Owns Australian property.** The loan is secured against a property the customer owns.
- **Capacity to repay.** Approved subject to our credit assessment and the customer's capacity to repay.
- **$5,000 to $175,000.** Within the product's secured, fixed-term range.
- **Suitable purpose.** A property-improvement project that adds value.

An eligibility check gives the customer an instant indication with **no impact on their credit file**. A full credit assessment is completed at application.

// HOW IT WORKS: FOR THE CUSTOMER

1	Check eligibility	An instant indication online in less than 5 minutes, with no credit-file impact.
2	Apply in less than 5 minutes	A full application with the supporting details we need to assess.
3	Assessment & valuation	We complete responsible-lending checks and confirm the security.
4	Settle & start	The loan settles, funds are available and repayments begin.

Australian based support staff are on-call every step of the way.

// FOR BROKERS

A flat commission, with no claw-back.

$495 per settlement

A **once-off $495 commission** is paid for every loan that settles. **It is paid after settlement and there is no claw-back,** once a loan settles, the commission is yours, even if the loan is later repaid or refinanced.

1. **Refer your client** — Send them to Propential with your referral code so the deal is attributed to you.
2. **We do the work** — We handle eligibility, application, valuation, responsible-lending checks and settlement.
3. **You're paid $495** — Your once-off commission is paid after the loan settles. No claw-back.

// FOR DISTRIBUTORS

Support that sets your channel up to win.

On-brand collateral
Marketing materials and a branded repayment calculator for your network.

Confident placement
Fast broker accreditation and training to place the product well.

A real contact
Partnership support through application and settlement.

Full visibility

Commercial terms are tailored to your channel. We'll structure the arrangement to suit how your network operates. Let's work through the detail together.

// BUILT ON SOLID GROUND

Licensed, responsible and clear with customers.

- **Licensed credit provider.** MediPay Holdings Pty Limited holds Australian Credit Licence 474336 and lends under the National Credit Code.
- **Responsible lending.** Every application is assessed for suitability and the customer's capacity to repay.
- **Target Market Determination.** A published TMD defines who the product is designed for.
- **Hardship & complaints.** Clear, published processes support customers who need them.
- **Privacy.** Customer information is handled in line with our published privacy policy.

// FREQUENTLY ASKED

Does this disturb the customer's existing home loan?	No. Propential sits behind the existing mortgage via a caveat or second mortgage; there's no refinance of their current home loan.
Is the rate risk-based?	No. It is one clear rate of 17.95% p.a. for everyone. A comparison rate (21.3% p.a.) applies once fees are included, true only for the stated example.
How much can a customer borrow?	Between $5,000 and $175,000, subject to our credit assessment and their capacity to repay.
When is broker commission paid?	$495 per settlement, once-off, paid after the loan settles, with no claw-back.
